

The Community Eligibility Provision

Schools across Virginia have an opportunity to feed all their students at no cost to families

CEP is a powerful new tool that allows high poverty schools and school divisions to offer breakfast and lunch to all students at no charge.

In addition, the measure streamlines school meal operations by eliminating the need to collect and process school meal applications.

The Virginia Poverty Law Center (VPLC) is a non-profit organization that serves Virginia's legal aid system by providing advocacy, training, and litigation support on civil justice issues that affect low-income Virginians.

Virginia Hunger Solutions gratefully acknowledges support of its work to expand the Community Eligibility Provision from *Hunger Is*, a joint program of The Safeway Foundation and the Entertainment Industry Foundation.
